Fun ways to keep students learning this summer

Miami Dade County Public Schools

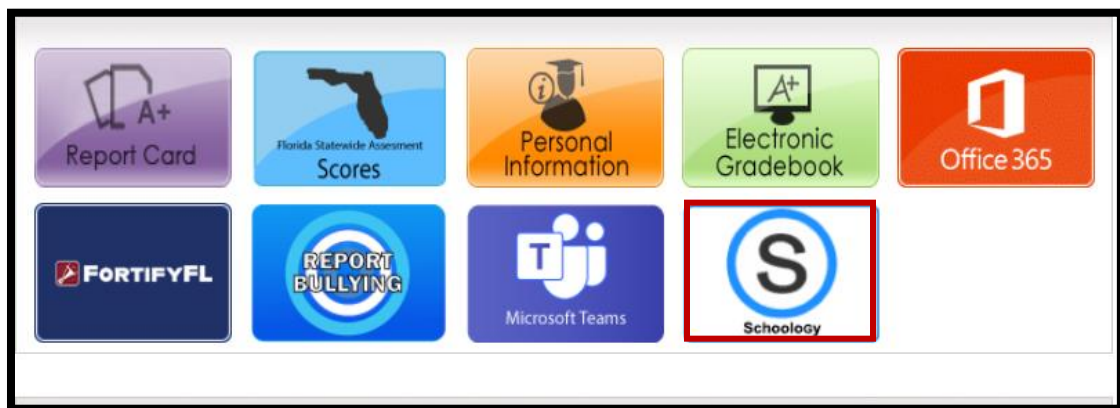

IXL Summer Boost

Home Practice for K-8 Mathematics

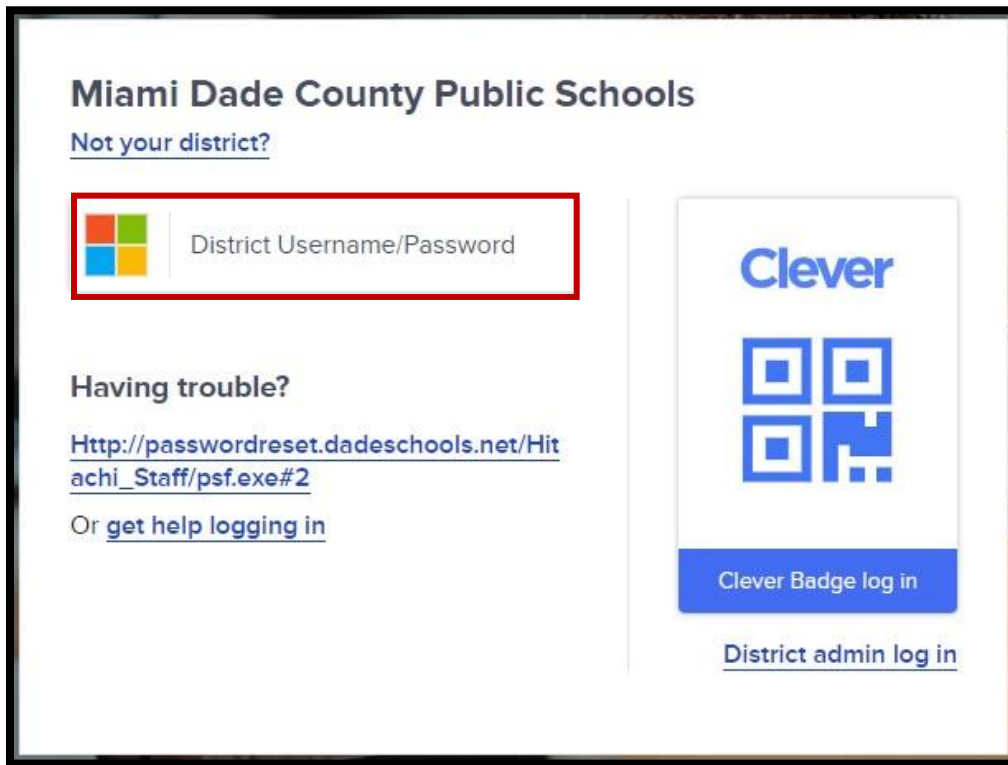

The IXL Summer Boost skill plans are available for home (or on-the-go) practice to keep students' math skills sharp during Summer Break. Students can keep up with essential Mathematics learning every day during the break with exciting activities and themes highlighting foundational and high-priority math skills and concepts from the previous school year. The IXL Summer Boost skill plans are custom created for each grade level, Kindergarten through Grade 8, and are a great way to learn or retain content that was taught during the 2023-2024 school year.

Starting below and on the following pages, you will find the step-by-step instructions on how to navigate to the IXL platform through the student portal.

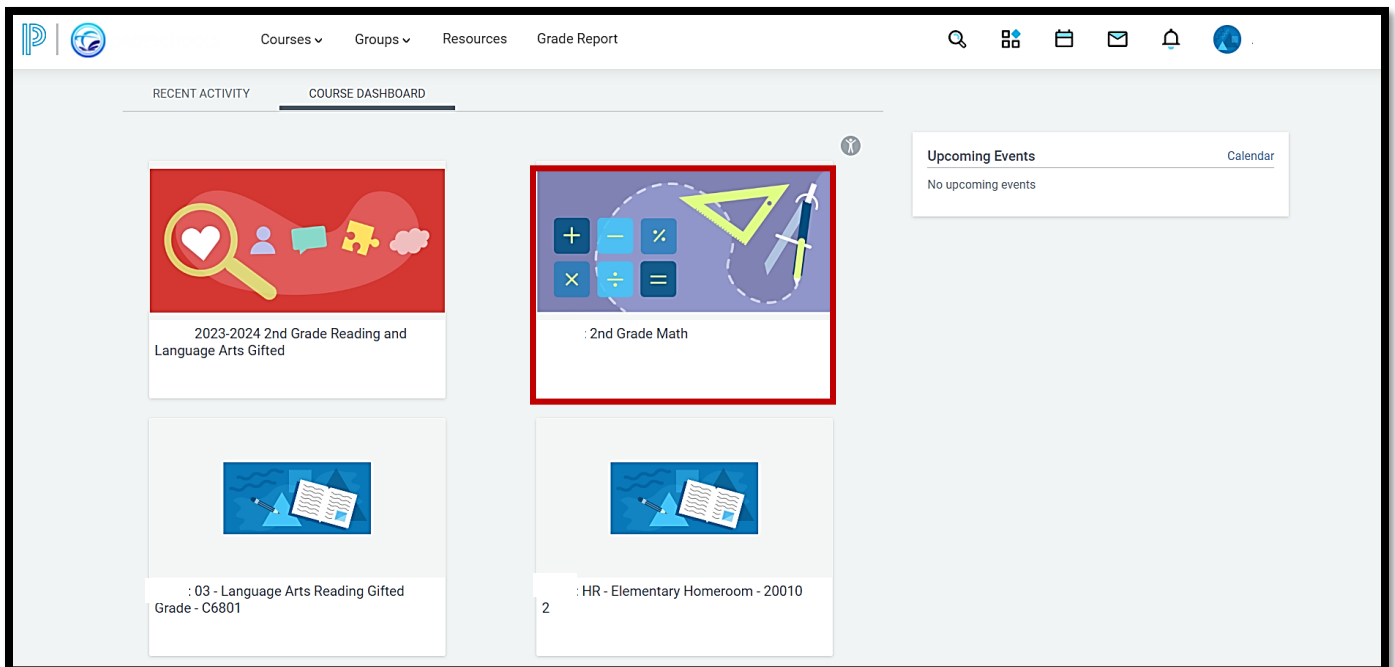

1. Once logged into the student portal, click on the Schoology tile shown below from the main portal page.

2. Click on **District Username/Password** and sign in using student's Miami Dade County Public Schools **Student Username and Password**.

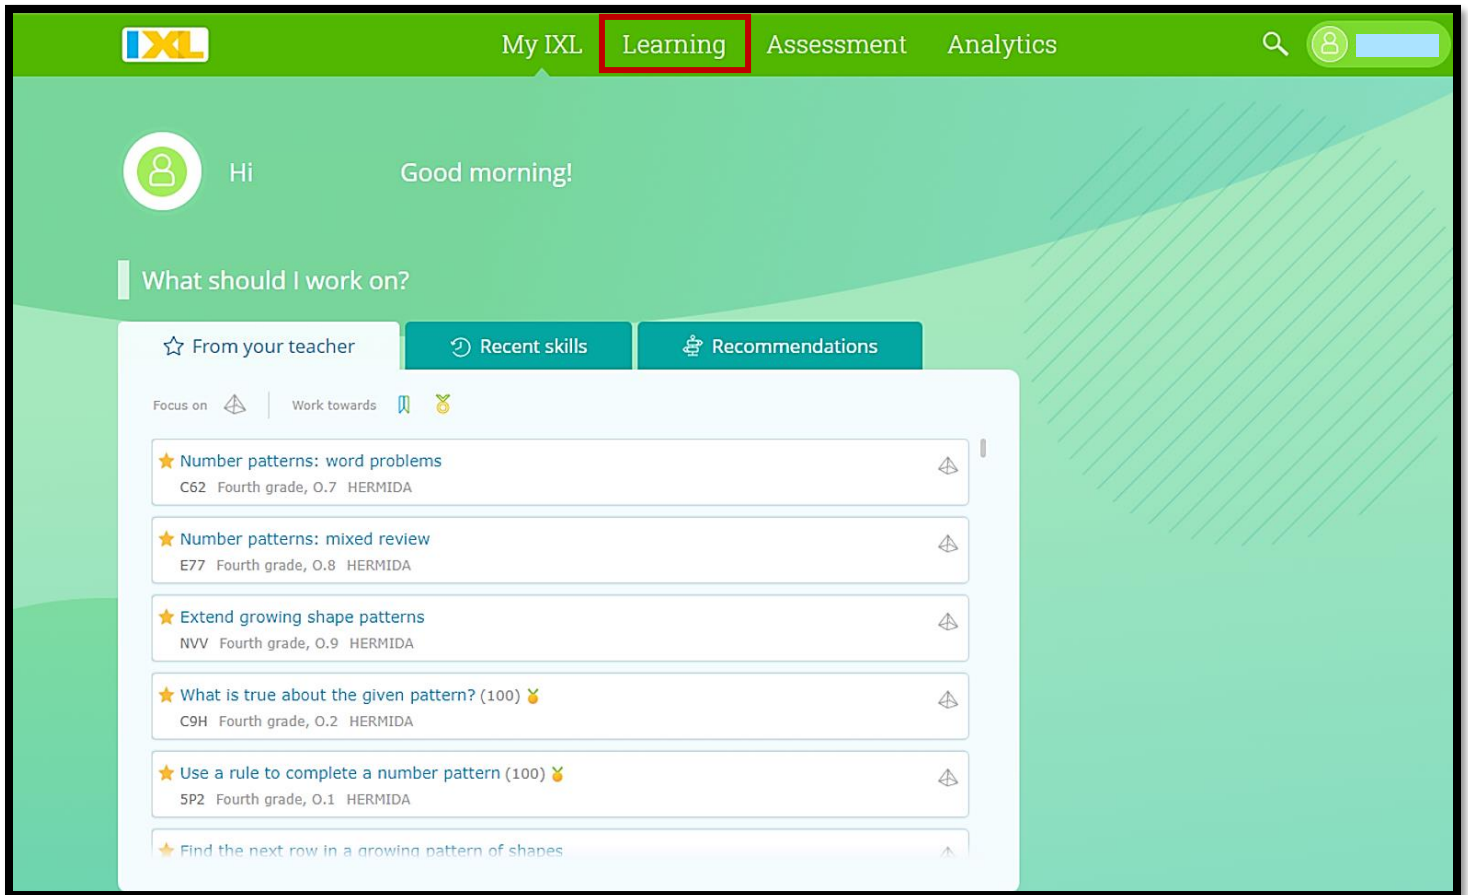

3. Select student's **Math Course**.

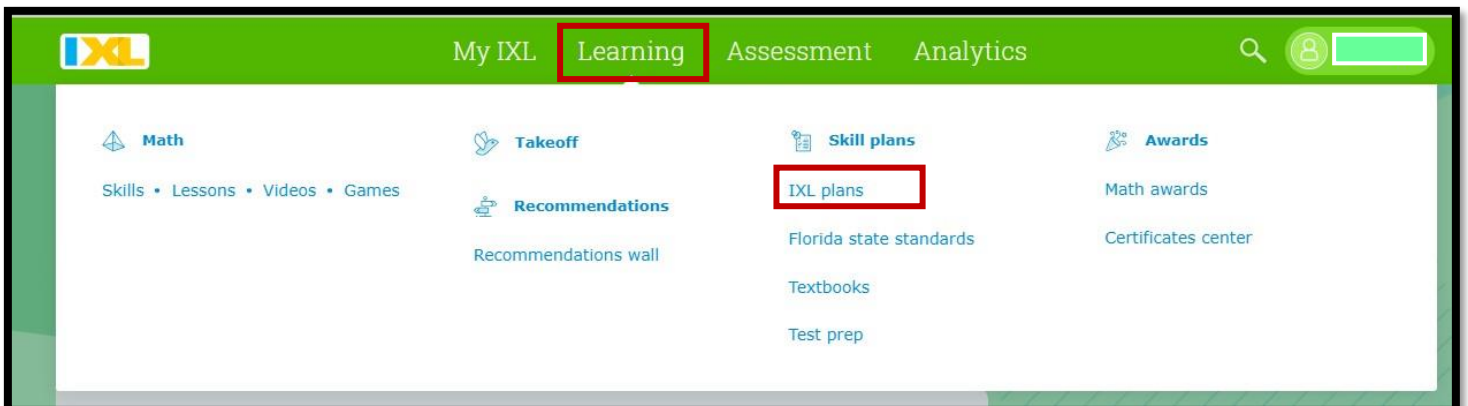

- Once in the math course, on the left side toward the bottom of the row, **select IXL.**

5. From the IXL Home Page, click on **Learning**.

6. Once the **Learning** tab is clicked, then click on **IXL plans** under the Skill plans column.

7. Click on **IXL Summer Boost: Math (K – 8th)**.
